Assiduus Global: Tech–first, channel agnostic middleware platform demystifying global e-commerce for global consumer brands

Helping consumer brands generate $1bn+ sales for clients across 180+ brands and 20+ countries

Assiduus acts as a one-of-a-kind tech & data led partner for brands in overcoming the challenges

Challenges for brands

- Complexity in cross-border e-commerce
- Limited access to global e-com data & insights
- High investments for building in-house team and infra
- Handling multiple e-com channels & fulfillment partners
- Brands losing control on pricing & brand positioning
- Pricing and Inventory Forecasting

ASSIDUUS™ Global

Single window end-to-end global e-commerce solutions

One partner	One partner for your end-to-end e-commerce needs, integrating with all major e-commerce channels across the world
Fastest GTM at lowest cost	Reach more shoppers across markets without investing in local infrastructure, resources and technology
Full spectrum capabilities	End-to-end solutions from market entry, listings, marketing to last mile delivery
Data led insights	Full stack middleware provides data led insights ranging from product market fit to global e-com growth strategy
Supply chain efficiency	Seamless logistics and fulfillment, tailored for various e-commerce channels
Brands in control	Control over pricing & discounting, brand positioning etc. to create a unified shopping experience

Assiduus's network, expertise and resources simplify a brand's cross-border e-commerce journey

Trusted partner for several marquee clients across the globe ...
